Explanation of Decision: The EPA considers that the likely environmental effects of the proposal are not so significant as to warrant formal assessment. The EPA also notes that potential environmental impacts on Flora and Vegetation and Terrestrial Fauna can be adequately dealt with under Part V Division 2 (Clearing) of the Environmental Protection Act 1986. The potential impacts on Inland Waters Environment Quality and Amenity can be dealt with through a licence under Category 70 of the Environmental Protection Regulations 1987. Rehabilitation and Decommissioning can be regulated through the Mining Act 1978.	Chairman's Initials:
