

APPENDIX C

WAPC Decision Sheet (2018)

DECISION SHEET

Western Australian Planning Commission

Title: Bunbury Outer Ring Road, North Section – Alignment Selection Study
Date: Thursday, 31 May, 2018

Moved by Dr Middle
Seconded by Mr Chaney

That the Western Australian Planning Commission resolves to:

- 1. note the planning that has been conducted to date on the Bunbury Outer Ring Road (BORR) Alignment Selection Study; and*
- 2. support selection of the eastern alignment (the pink alignment as shown in Figure 1) as the preferred route in order to undertake further detailed planning activities based on this corridor.*

This decision sheet has been forwarded to you as the officer responsible for the report. It is your responsibility to commence any action required in relation to this decision including contacting any other officer who may need to action it.
