Dear Mr Archer

**CHANGE TO PROPOSAL – BUSSELTON MARGARET RIVER REGIONAL
AIRPORT – (ASSESSMENT NO. 2105)**

Thank you for your letter dated 2 December 2016 outlining the proposed changes to your proposal. Under section 43A of the *Environmental Protection Act 1986* (EP Act), I am able to approve a change to a proposal, without a revised proposal being submitted to the Environmental Protection Authority.

I consider that the change described in your application to remove the runway extension, widening and strengthening component of your proposal is unlikely to significantly increase any impact that the proposal may have on the environment.

Approval is therefore granted under section 43A of the EP Act, for the changes to the proposal. You are reminded that this approval does not replace any responsibilities that you may have for seeking approvals from other government agencies to implement the change.

Yours sincerely

Dr Tom Hatton
CHAIRMAN
