1. What are the values (environmental, social and cultural) you associate or identify with in and around Exmouth Gulf?

The exmouth gulf is an iconic landmark of Australia. Protecting it is vital to maintaining our pride as a country. The gulf also has values associated with the Indigenous Australians and it is crucial to look after it to respect their culture and identity.

1. What activities do you engage with in and around Exmouth Gulf?

The Exmouth gulf is a great source of economic wealth due to the tourism sector. By leaving it at its natural beauty, people will, for many generations, be able to continue to enjoy the wonders it provides.

1. What environmental pressures do you observe in and around Exmouth Gulf?

The pressures from the fishing industry as well as fracking and mining. This can lead to detrimental impacts for years to come that is not worth the small amount of money made.

1. What environmental pressures in and around Exmouth Gulf affect you/your sector or business?

N/A

1. Are there other activities that are proposed (or likely to be proposed) that you are aware of, which will impact the Exmouth Gulf?

I am currently aware of the proposals regarding the Gascoyne Gateway Cruise and Multi-Use Marine Facility, K+S Salt proposal and Learmonth pipeline fabrication project have the potential to significantly contribute negatively to the Exmouth Coast.
