

**Summary of reasons for decision – Amendment of an approved proposal
and/or implementation conditions under section 45C of the *Environmental
Protection Act 1986***

Ministerial Statement:	1191
Proposal Title	Bunbury Outer Ring Road Southern Section
Approved Proposal:	The proposal is for the construction and operation of 10.5 kilometres of the Bunbury Outer Ring Road Southern Section, located about 200 km south of Perth. The 200 hectare development envelope occurs mainly within the Shire of Capel (including the localities of Gelorup, North Boyanup and Statham), and a small component within the City of Bunbury.
Proponent:	Commissioner for Main Roads Western Australia
Environment Online Reference Number:	N/A
Date Ministerial Statement first issued	31 May 2022
Dates of any approved changes to Approved Proposal	There have not been any changes to Approved Proposal.
Date of proponent's request to amend	13 June 2022
Date additional information received	Not requested
Date application made public	23 June 2022
Description of requested amendment(s) to approved proposal	No amendments to approved proposal sought.
Description of requested amendment(s) to implementation conditions	The proponent is requesting to amend condition 9-6 to ensure consistency with condition 9-3, due to an unintentional error.
Decision	The requested amendment to implementation conditions is not considered to be a significant amendment. The amendment to the implementation condition is approved.

Summary of consideration of amendment and decision

The decision-maker has considered the request to amend the implementation conditions under section 45C(5) of the EP Act. The decision-maker considers the requested amendments to the implementation conditions are not considered to be significant amendments and the request is due

to an unintentional error. The unintentional error can be addressed through a section 45C(5)(b)(i) process, which has the effect of ensuring that Condition 9-6 is consistent with Condition 9-3.

Appeals: Decision not appealable.
