**MINISTERIAL STATEMENT and ANY APPROVED CHANGES**

Ministerial Statement 1189, first issued 19 May 2022

s.45C changes issued on 24 November 2022, 2 July 2024, 7 May 2025 and 28 August 2025.

**DECISION**

Pursuant to s. 45C (1) (c) of the *Environmental Protection Act 1986* (EP Act), the Chair acting as delegate for the Minister for Environment gives approval to the following amendments of the approved proposal:

- Administrative change to condition 12-3, to capture PEOF contributions for the night parrot, as specified in condition 12-1(9).
- Administrative change to condition 12-9, for grammatical accuracy to ensure clarity.

**SUMMARY OF REASONS**

- The change to condition 12-3 is considered administrative as it is to correct a clerical error. The amendment corrects an error which did not include the night parrot under condition 12-3, although it is specified as an impact requiring PEOF contributions in condition 12-1(9).
- The change to condition 12-9 is considered administrative as it is to correct a clerical error. The amendment corrects an error which reduced clarity regarding the submission of Impact Reconciliation Reports.
- There are no new environmental factors likely to be significantly affected as a result of the amendment.

**EFFECT OF THIS NOTICE:**

1. The proposal as amended in accordance with this notice is taken to be able to be implemented under s. 45 of the EP Act.

**RIGHTS OF APPEAL:**

There are no rights of appeal under the EP Act in respect of this decision.
