

Title: Dampier to Bunbury Natural Gas Pipeline Stage 5 Expansion

CRN: 219731 **Date Received** 24/05/2006 **Date More Inf** 28/09/2006

Referror: DBNGP (WA) Nominees Pty Limited

Proponent: DBNGP (WA) Nominees Pty Limited

Contact: Att: Michael Jones

Telephone: 9492 3803

LGA:

Environ Factors: DRF & Priority Flora & Fauna, vegetation clearing (conservation reserves, sensitive areas), wetlands & water resources, Aboriginal heritage, noise (construction in Perth metro area), dust.

Potential Significant Effects: Loss of DRF & Priority Flora; spread of weeds & dieback, fauna death/injury; soil erosion & compaction; disturbance to wetlands & water courses.

Management: Restricted corridor widths in areas of conservation significance. Rehabilitation management plan with completion criteria. Timing of works to avoid wet season/reptile breeding. Horizontal directional drilling under major watercourses.

Officer: Emma Fairhall

Recommendations:
