Determination: Referral Examined, Preliminary Investigations and Inquiries Conducted. Proposal Not to be Assessed Under Part IV of EP Act. No Advice Given. (Appealable)

The EPA has carried out some investigations and inquiries before deciding not to assess this proposal. In deciding not to formally assess proposals, the EPA has determined that no further assessment is required by the EPA.

Explanation of Decision: The EPA considers that likely environmental impacts of the proposal are not so significant as to warrant formal environmental assessment.

The EPA is of the view that the potential impacts of the proposal are not significant because potential impacts on Hydrological Processes and Inland Waters Environmental Quality, Flora and Vegetation, Terrestrial Fauna and Heritage can be adequately managed through the implementation of the proposal in accordance with the proponent's proposed management and mitigation measures.

In addition, the EPA notes that the proposal can be regulated under Part V Division 2 (Clearing) of the Environmental Protection Act 1986.

Determination Appealable. Appeals administered by Office of Appeals Convenor. Appeals close: 26-09-2016
