Hydrological Processes, Inland Waters Environmental Quality

Decision: s.43 Direction to reassess

Level of assessment: Referral Information and additional information

Other details:

Additional information shall include, but not limited to, a revised Drainage Management Plan

Explanation of decision:

Pursuant to 43 of the *Environmental Protection Act 1986* (EP Act), the Minister for the Environment has directed the Environmental Protection Authority (EPA) to reassess the proposal more fully. The EPA is to have particular regard for the *Site and Drainage Management Plan – Lot 14 (1527) Great Northern Highway, Upper Swan 6069 (7 June 2016)* and any other information not previously considered in the original assessment (EPA Report 1398).

Refer to the Minister for Environment's State of Reasons for the reassessment published on the EPA's website.

Appeals: Decision not appealable.

Dr Tom Hatton

CHAIRMAN

Delegate of the Environmental Protection Authority

Date: 17/1/18
