

### Public record pursuant to s. 39 of the *Environmental Protection Act 1986*

**Proposal title:** Northern Terminal to Neerabup Terminal 330kV Transmission Line

**Proposal location:** Between Malaga in the City of Swan and Pinjar in the City of Wanneroo

**EO number:** APP-0025146

**Date referral received:** 22-02-2024

**Date more information received:** N/A

**Referrer:** Electricity Networks Corporation trading as Western Power

**Proponent:** Electricity Networks Corporation trading as Western Power

**Potential significant effects:**

There are potential impacts on: flora and vegetation from clearing and disturbance, introduction of weeds, disease and pests; terrestrial fauna from clearing or modification of habitat; inland waters from changes to hydrological processes and potential impacts on conservation category wetlands; and social surroundings from dust during construction, and disturbance in proximity to Aboriginal heritage sites.

**Preliminary key environmental factors:** flora and vegetation, terrestrial fauna, inland waters, social surroundings

**Public comment on referral information:**

Do not assess:	0
Assess: a) Referral information	0
b) Environmental review - no public review	0
c) Public environmental review	12
<i>Total submissions:</i>	12

**Decision:** s. 38G(1) – Assess

**Level of assessment:**

Referral Information with additional information (required under s. 40(2)(a) of the *Environmental Protection Act 1986* with public review (s. 40(5)).

**Other details**

Public review period (2 weeks)

**Explanation of decision:**

Several preliminary key environmental factors require additional information. Detailed assessment is required to determine the extent of the proposal's impacts; and whether impacts can be managed, and the environmental factor objectives can be met.

**Appeals:** Decision is not appealable.
