

**Summary of reasons for decision – Amendment of an approved proposal  
and/or implementation conditions under section 45C of the *Environmental  
Protection Act 1986***

<b>Ministerial Statement:</b>	1189
<b>Proposal Title</b>	Revised Proposal for the Roy Hill Iron Ore Mine
<b>Approved Proposal:</b>	The revised proposal is to mine and process iron ore from the southern slopes of the Chichester Range and to develop and operate associated infrastructure 110 km north of Newman in the Pilbara region of Western Australia.
<b>Proponent:</b>	Roy Hill Iron Ore Pty Ltd
<b>Environment Online Reference Number:</b>	n/a
<b>Date Ministerial Statement first issued</b>	19 May 2022
<b>Dates of any approved changes to Approved Proposal</b>	There have not been any changes to the approved proposal.
<b>Date of proponent's request to amend</b>	n/a
<b>Date additional information received</b>	Not requested
<b>Date application made public OR public comment sought on application</b>	n/a
<b>Description of requested amendment(s) to implementation conditions</b>	To amend administration errors in conditions 12-3, 12-3(5) and 12-3(12) for financial year reference and contribution rate for the Chichester IBRA subregion.
<b>Decision</b>	The requested amendments to implementation conditions are not considered to be significant amendments. The amendments to the implementation conditions are approved.

**Summary of decision**

The decision-maker has considered the request to amend the implementation conditions under section 45C(5) of the EP Act. The decision-maker considers the amendments to the implementation conditions are not considered to be significant amendments and the request is due to an unintentional administrative error. The unintentional administrative error can be addressed through a section 45C(5)(b)(i) process, which has the effect of updating condition 12-3.

**Appeals:** Decision not appealable.

**Professor Matthew Tonts**

CHAIR

Delegate of the Environmental Protection Authority      **Date:** 24 November 2022
