

Carlaminda Homestead Consultation log – Summary

<b>Date of Consultation</b>	<b>Type of Consultation (e.g., letter, email, phone, text, in-person meeting)</b>	<b>Subject Category</b>	<b>Proponent response/outcome</b>
23-May-18	Email	General Communication	Introduction to FIJV
24-May-18	Email	General Communication	Introduction to FIJV
27-May-18	Email	General Communication	Introduction to FIJV
28-May-18	Email	General Communication	Proponent confirmed happy to be working with Carlaminda station, Carlaminda confirmed to working with FIJV
06-Jun-18	Email	Site access	Request access to tenements - Flora survey
01-Aug-18	Email	Site access	Carlaminda confirmed request access to tenements - Flora survey approved
02-Aug-18	Email	Site access	Carlaminda confirmed request access to tenements - Flora survey approved
13-Feb-19	Email(s)	Env Approvals	Meeting request with FIJV/Carlaminda in person
13-Feb-19	Email	Env Approvals	Discussed outline of the Yogi Project
13-Feb-19	Email	Env Approvals	Meeting confirmation
15-Feb-19	Email	Env Approvals	Meeting confirmation
27-May-19	Email	Env Approvals	Reviewed layout of proposed project
28-May-19	Email	Env Approvals	Proponent is committed to ongoing stakeholder engagement
29-May-19	Email	Env Approvals	Proponent is committed to ongoing stakeholder engagement
29-May-19	Meeting on site	General Communications	Site visit to meet Carlaminda personnel from FIJV, SRK, GHD & Brad Goode and Associate – wide

			range of project discussion topics discussed including introductions.
29-May-19	Email	Site access	Request access to tenements granted
26-Sep-19	Email	Site access	Feedback from site visit
16-Oct-19	Email	Site access	Feedback from site visit
30-Oct-19	Email	Site access	Ongoing engagement meeting in Perth
06-Nov-19	Email	Exploration activities	Information regarding earthworks for exploration activities updates
06-Nov-19	Email	Exploration activities	Information regarding earthworks for exploration activities updates
07-Nov-19	Email(s)	Exploration activities	Information regarding earthworks for exploration activities updates
07-Nov-19	Email	Exploration activities	Information regarding exploration programme - ongoing engagement
07-Nov-19	Email	Exploration activities	Engaged Carlaminda/Rowe Earthmoving to quote for earthworks
07-Nov-19	Email	Exploration activities	Information regarding exploration programme - ongoing engagement
16-Nov-19	Email	Exploration activities	Information regarding exploration programme - ongoing engagement
19-Nov-19	Email	Exploration activities	Carlaminda requested for more detailed maps - FIJV to develop RE Exploration programme for pricing of earthworks
20-Nov-19	Email	Exploration activities	Request for more detailed maps - FIJV to develop RE Exploration programme
08-Dec-19	Email	Exploration activities	FIJV sent summary of exploration earthworks, Carlaminda agreed to review and get back to FIJV
09-Dec-19	Email	Exploration activities	FIJV revised scope for Exploration works i.e., Rowe Earthmoving
16-Dec-19	Email	Exploration activities	FIJV to Carlaminda - Exploration program update

30-Dec-19	Email	Exploration activities	PO raised for Carlaminda to conduct earthworks for exploration programme
06-Jan-20	Email	Exploration activities	PO raised for Carlaminda (Rowe Earthmoving) to conduct earthworks for exploration programme
10-Jan-20	Email	Exploration activities	Invoice - exploration activities
24-Jan-20	Email	Exploration activities	Invoice - exploration activities
31-Jan-20	Email	Exploration activities	Invoice - exploration activities
07-Feb-20	Meeting	Meeting	Site meeting request to discussed exploration activities
10-Feb-20	Email(s)	Meeting	Site meeting discussed exploration activities
10-Feb-20	Email	Exploration activities	Additional earthworks for Carlaminda
10-Feb-20	Meeting	Meeting	Stakeholder meeting to discuss exploration activities to date
10-Feb-20	Email	Exploration activities	Ongoing communications - Earthworks
11-Feb-20	Email	Meeting	Stakeholder meeting exploration activities
12-Feb-20	Email(s)	Exploration activities	Ongoing communications - Earthworks
18-Feb-20	Email	Invoice	Invoice - exploration activities commercial
21-Feb-20	Email(s)	Exploration activities	Ongoing communications - Earthworks
24-Feb-20	Email	Exploration activities	Ongoing communications - Earthworks
06-Mar-20	Email	Invoice	Ongoing communications - Earthworks
09-Mar-20	Email	Invoice	Invoice - exploration activities commercial
09-Mar-20	Email	Invoice	Invoice - exploration activities commercial
10-Mar-20	Email	Env Approvals	Request access to tenements - Flora survey
13-Mar-20	Email	General Communication	Ongoing stakeholder engagements - general communication Covid 19

26-Mar-20	Email(s)	Invoice	Invoice - exploration activities commercial
16-Apr-20	Email(s)	Env Approvals	FIJV updated Carlaminda on project update on various information including EPA update - ongoing stakeholder tenement
16-Apr-20	Email	General Communication	FIJV to replaced station gate
16-Apr-20	Email	General Communication	FIJV agreed to replaced station gate
16-Apr-20	Email	Env Approvals	Sent water study results to Carlaminda - ongoing stakeholder tenement
17-Apr-20	Email	Env Approvals	Sent water study result to Carlaminda - ongoing stakeholder tenement
20-Apr-20	Email	General Communication	Carlaminda responding to FIJV email - ongoing stakeholder tenement
20-Apr-20	Email	General Communication	Sent water study result to Carlaminda - ongoing stakeholder tenement
30-Apr-20	Email	Env Approvals	Sent water study result to Carlaminda - ongoing stakeholder tenement
02-May-20			Invoice - exploration activities commercial
29-May-20	Email	General Communication	Carlaminda responding to FIJV email - ongoing stakeholder tenement outlining concerns of project as outlined in RTS
05-Jun-20	Email(s)	Invoice	Invoice - exploration activities commercial
07-Jun-20	Email	General Communication	Introduction from FIJV has employed Leon Taylor Contract Manager - ongoing stakeholder engagement
07-Jun-20	Email	General Communication	Introduction FIJV has employed Leon Taylor Contract Manager - ongoing stakeholder engagement

08-Jun-20	Email	General Communication	Response form Carlaminda FIJV has employed Leon Taylor Contract Manager - ongoing stakeholder engagement
16-Jun-20	Phone call		Request for face-to-face meeting with FIJV to consider a draft access agreement - ongoing stakeholder engagement
25-Jun-20	Email(s)	Env Approvals	Update from FIJV recent Fauna assessment updates
25-Jun-20	Email	General Communication	Ongoing stakeholder engagements - general communication Covid 19
25-Jun-20	Email	Env Approvals	FIJV sent Carlaminda water quality results latest round - ongoing stakeholder engagement
26-Jun-20	Email	Exploration activities	Remediation works exploration activities
15-Jul-20	Meeting	General Communication	Introduction meeting on site Leon Taylor - ongoing stakeholder engagement
16-Jul-20	Phone call/site visits	General Communication	Meeting confirmation time - ongoing stakeholder engagement project discussions
18-Jul-20	Email(s)	Livestock	Correspondence - injured bull in sump
18-Jul-20	Email	Livestock	FIJV to provide assistance to injured bull in sump
18-Jul-20	Email	Invoice	Invoice - exploration activities commercial
18-Jul-20	Email	Livestock	Photos of Injured bull in sump being lifted out
22-Jul-20	Email	General Communication	Ongoing stakeholder engagements - general communication
30-Jul-20	Email(S)	Env Incident	Carlaminda reported spill from exploration activities to FIJV
30-Jul-20	Email	Env Incident	FIJV confirmed to investigate spill further
30-Jul-20	Email	Invoice	Invoice - exploration activities commercial

04-Aug-20	Email(s)	Exploration Activities	Provided Carlaminda with scope to rehabilitate sumps from exploration activities
04-Aug-20	Email	General Communication	Project update - ongoing stakeholder engagement
04-Aug-20	Email	Exploration Activities	General Communication
07-Aug-20	Email(s)	Invoice	Invoice - exploration activities commercial
07-Aug-20	Email	Exploration Activities	Further information to Carlaminda in regards to scope to rehabilitate sumps from exploration activities
07-Aug-20	Email	Exploration Activities	Delay in sump rehabilitation work - ongoing stakeholder information
07-Aug-20	Email	Exploration Activities	Delay in sump rehabilitation work - ongoing stakeholder information
10-Aug-20	Email(s)	Invoice	Invoice - exploration activities commercial
12-Aug-20	Email	General Communication	General communication regarding any project updates
13-Aug-20	Email(s)	Invoice	Invoice - exploration activities commercial
14-Aug-20	Email	General Communication	General communication - request for information on hire docket
17-Aug-21	Email	General Communication	Draft access agreement sent to Carlaminda - ongoing stakeholder engagement
17-Aug-20	Email(s)	Invoice	Invoice - exploration activities commercial
17-Aug-20	Email	Invoice	Invoice - exploration activities commercial
17-Aug-20	Email	Invoice	Invoice - exploration activities commercial

18-Aug-20	Email	General Communication	Carlaminda agreeing to review access agreement - ongoing stakeholder engagement
