Dear David

Perth Surf Park: Review of PGV Environmental Assessment Report

As requested, the revised Environmental Assessment Report (Report No. 2022-669, Version 2, 3 November 2022) prepared by PGV Environmental has been reviewed, and I am satisfied that the report adequately provides information on the relevant environmental factors, the potential environmental impacts associated with the Facility, and demonstrates how these impacts will be avoided, mitigated and/or offset.

Yours sincerely

Kathy Choo
Associate Director
