Mt Holland	DCCEEW	6/10/2023	Teams Meeting	Covalent Lithium: Anthea Pate JBS&G: Stuart Hawkins, Annette Latto DCCEEW: Milly Filmer	Meeting to discuss LOM assessment and overlapping approvals of EPBC 2017/7950 and LOM	DCCEEW advised that under the EPBC legislation there was no provision for overlapping approvals such as the EP Act where recent approval supersedes previous approval. Likely outcome is that there will be two approvals for the Project. Unsure if the ERD could be assessed under the accredited assessment process.	DCCEEW advised of data requirements and Covalent confirmed they would submit as accredited assessment and wait for feedback from DCCEEW.
Mt Holland	DBCA/DWER	5/10/2023	Meeting at Kensington office	Covalent Lithium: Anthea Pate, Ross Martelli, Cameron Levitzke DBCA: Peta Haywood, Lisa Wynne, Michelle Corbellini, Leanne Thompson JTSI: Paula Wade	Meeting requested to discuss offsets issues that remained unresolved for original proposal, revised proposal and LOM proposal.	1. Covalent seeking sign off from DWER for both Flora and Fauna Offset Strategy documents from original proposal submitted in Jan and July 2022, 2. Confirmation and clear pathway associated with process to progress the acquisition of Site 10 offset land, 3. Endorsement of Revised Proposal offset site recommended by DBCA. 4. Commence discussion about other options other than land acquisition for offsets	1. DWER will review strategy documents again and provide comments back to Covalent. Covalent will update and submit for approval. 2. Covalent will draft MOU for review by DBCA.
Mt Holland	JTSI	4/10/2023	Meeting at JTSI office	Covalent Lithium: Ross Martelli DBCA: David Alexander	Meeting to discuss delays and impediments to approvals process and LOM Proposal submission	Covalent identified where delays were being incurred for both part IV and V and made suggestions as to where Covalent thought the approvals process could be streamlined.	
Mt Holland	Quarterly Stakeholder meeting	5/09/2023	Meeting at JTSI office	Covalent Lithium: Anthea Pate, Ross Martelli, Christian Sputore DBCA: Michelle Corbellini, Fran Stanley, Cathy Bourke DWER: Shaun Meredith, Tracey Hassell DPLH: Darren Corr DMIRS: Dan Endacott JTSI: David Alexander, Paula Wade, Caitlin O'Neill	JTSI Quarterly Stakeholder meeting	Meeting requested to discuss offsets issues for original proposal, revised proposal and LOM proposal.
