Dear Sir / Madam

## **APPROVAL OF RADIATION MANAGEMENT PLAN FOR RENEWAL**

### **Mt Weld Operations**

The Radiation Management Plan (RMP), RM-800-466613, in relation to Renewal at the Mt Weld Operations has been assessed by this Department and compared to the requirements in regulation 16.7(2) and the recommendations outlined in the Department's *Managing naturally occurring radioactive material (NORM) in mining and processing – guideline*.

Pursuant to regulation 16.7(7)(a) of the Mines Safety and Inspection Regulations 1995 (MSIR), I hereby grant approval for its implementation at the Mt Weld Operations.

Yours faithfully

Andrew CHAPLYN  
State mining engineer
