Environmental Protection Authority

Title: Shire of Esperance Local Planning Scheme 24 Amendment 8

Location: Various lots, Esperance

Description: Amendment 8 is an omnibus amendment which proposes a number of revisions to the Scheme text and maps. These largely relate to changes to reflect existing land uses, add additional land uses and to align with government policy.

Ref ID: CMS18205

Date Received: 12/05/2022 **Date Sufficient Information Received:** 16/06/2022

Responsible Authority: Shire of Esperance, PO Box 507, Esperance WA 6450

Contact: Richard Hindley

Preliminary Environmental Factors: Inland waters

Potential Significant Effects: Altering the hydrological regimes and quality of input into Esperance Water Reserve and Lake Warden System

Management: Potential impacts can be managed through proposed scheme provisions and future planning processes. EPA advice is also provided regarding management of environmental impacts and referral of future significant proposals.

Determination: **Referral Examined, Preliminary Investigations and Inquiries Conducted. Scheme Amendment Not to be Assessed Under Part IV of EP Act. Advice Given. (Not Appealable).**

The Environmental Protection Authority (EPA) has carried out some investigations and inquiries before deciding not to assess this scheme. In deciding not to formally assess schemes, the EPA has determined that no further assessment is required by the EPA.

This Determination is not appealable.
