PROPOSAL TO WHICH THIS NOTICE RELATES:

Gogo Station Irrigated Agricultural Development
Assessment No. 2134; PRO-0012287

Pursuant to s. 40A(1)(c) of the *Environmental Protection Act 1986* (EP Act), the Environmental Protection Authority (EPA) has decided to terminate the assessment of the proposal. The EPA is terminating the assessment due to the refusal of the associated water licence application by the relevant decision-making authority, and the proposal's likely inconsistency with current State policy to protect the Fitzroy River and restrict additional water extraction.

EFFECT OF THIS NOTICE:

1. Any person who does anything to implement the proposal commits an offence under s. 41A(2) of the EP Act.

2. Pursuant to s. 41(3) of the EP Act, a decision-making authority is not to make a decision which could have the effect of causing or allowing the proposal to be implemented.

APPEAL RIGHTS:

There are no rights of appeal under the EP Act in respect of this decision.

A response to this notice is not required.
